PRNewswire

Your home is not only your pride and joy -- it's your most valuable possession and your biggest financial investment. We at Farmers Insurance understand your need and are proud to announce the new Homeowner Associations (HOA) program. As a resident of a gated community in the state of Nevada, you may qualify for special discounts on your homeowners insurance. Farmers is not only proud to provide you with a discount, but will provide you with special coverage tailored to the unique needs of a gated community.

The HOA program, effective February 16, 2002, provides a discount of 4% for residents in qualifying gated HOA communities.

At Farmers, we recognize that people who live in homeowner associations have fewer losses and may have special insurance needs, such as coverage for association assessments. Farmers Homeowner Associations Program offers custom products and services tailored to meet your special needs.

"We are excited about the new Homeowner Associations program in Nevada," said Susan Bithell, Nevada State Executive. "Farmers Insurance Group of Companies is the largest group of writers of homeowners insurance in Nevada. We are proud to serve the needs of our customers. We not only offer homeowners protection, but also the comprehensive coverage." Contact your local Farmers Agent and ask about the special Homeowner Associations program.
