"We are very proud of the new 52,600 square foot facility that will house an additional 75 employees," notes Claudia Dill, CEO and President of Zurich and Farmers North America Shared Services. "It has the latest printing and distribution equipment available today. This facility is a centralized print, storage and distribution center for Farmers. Construction took 10 months at a total project cost of \$17.6 million dollars which included a total equipment technology upgrade. Nearly 500,000 per day or 120,000,000 mail pieces per year will be handled at this new Farmers facility."
