

## Farmers Insurance Honors Military Service Members At Events Across The Nation **National Insurer Honors Veterans across the U.S.**

LOS ANGELES, Nov. 11, 2014 [/PRNewswire/](#) -- November and December mark a time of year when family and friends come together to celebrate the holidays; however, many brave members of the U.S. military heading overseas will not be able to spend the cherished time with their families. Across the country today, Farmers Insurance offices and employees are hosting employee events honoring their local veterans.

As a recognized Military Friendly employer through G.I. Jobs rankings, Farmers is committed to continuing to honor the nation's veterans, along with reserve and active duty military members, with a series of events in partnership with local organizations including some branches of the United Service Organization (USO) to show support for their sacrifice and service. This includes the kickoff of the annual Farmers Holiday Card Campaign, a campaign which allows thousands of Farmers employees and agency owners across the country to write inspirational holiday cards, which will then be sent to wounded veterans at hospitals across the country and soldiers serving overseas. Additionally, on November 18, Farmers Insurance employees in Los Angeles will join with the Bob Hope USO at Los Angeles International Airport to serve hundreds of soldiers heading overseas with a holiday meal before they board their flight.

"Today and throughout November, Farmers Insurance wants to offer a heartfelt thank you to the dedicated and selfless military service members, past and present, who have served our country," said Roy Smith, President of Farmers exclusive agent distribution. "In an effort to continue to provide support, Farmers is also committed to hiring veterans and providing additional opportunities for current and former armed services members."

Farmers Insurance has a number of opportunities available throughout the U.S. for which veterans may be qualified. Additionally, the national insurer is actively recruiting professionals with military experience for opportunities as Agency Owners.

Current or soon to be veterans are encouraged to learn more about opportunities with Farmers Insurance by submitting a note of interest to [military.recruitment@farmersinsurance.com](mailto:military.recruitment@farmersinsurance.com) or visit [www.beafarmersagent.com](http://www.beafarmersagent.com).
