

## **Emily Max Among 15 Finalists Vying for Six \$100,000 Educational Grants from Farmers Insurance**

Atlanta, Georgia (August 26, 2015) – Farmers Insurance<sup>SM</sup> announced today that Emily Max of Toomer Elementary School in Atlanta, Georgia, has been named a finalist as part of the company's Thank America's Teachers Dream Big Teacher Challenge, awarding teachers for their ideas to help create a lasting and positive impact on their classrooms, schools, and communities.

Local Farmers agent Anissa Few Davenport surprised Emily Max with a visit to her school to share the news about being one of only 15 finalists in the running for one of six \$100,000 Dream Big Teacher Challenge grants from Farmers.

Each teacher's proposal went through a competitive review process, and Max's proposal to build a special needs playground was selected to move on to the voting phase of the Dream Big Teacher Challenge.

At Fred Armon Toomer Elementary more than 70 percent of the student population receives free or reduced lunch and the school does not have adequate funds to provide the desired resources to many of its special needs students. If Max were to win the \$100,000 Dream Big Teacher Challenge grant, she will build an inclusive playground that is accessible for the school's special needs students. The play space would include low structures with ramps, low monkey bars, and balance building stations.

"I am so excited to have had the honor of surprising Emily Max with the news that she is one step closer to winning a \$100,000 grant through Thank America's Teachers," said Farmers agent Anissa Few Davenport. "I invite the Atlanta community, the state of Georgia, and the entire nation to vote to help make Emily's proposal a reality."

Beginning October 1, the finalists' proposals will be available for public voting at [www.ThankAmericasTeachers.com](http://www.ThankAmericasTeachers.com). Everyone can vote for any of the 15 teacher proposals, but a person can only vote once for the same teacher proposal per day. Up to six \$100,000 educational grants will then be announced in December to the two proposals with the highest vote count per three geographical zones which include the Western Zone, Central Zone, and Eastern Zone.

In addition to voting, the public can visit [www.ThankAmericasTeachers.com](http://www.ThankAmericasTeachers.com) at any time to share their thanks for teachers who made a difference in their lives, and learn more about the program.

Launched at the 2015 Farmers Insurance Open in San Diego, California, Thank America's Teachers features an iconic yellow school bus that is traveling coast-to-coast delivering opportunities to say thank you to teachers who give their time, talent and knowledge to ensure that our nation's children become smarter and better prepared for the future.

Through Thank America's Teachers, Farmers will give away more than \$1,000,000 to educators in 2015 and the public will help determine who receives the grants at [www.ThankAmericasTeachers.com](http://www.ThankAmericasTeachers.com). Farmers will award 180 grants valued at \$2,500 throughout the year, in addition to the six \$100,000 Dream Big Teacher Challenge grants.
