

Bryan Alvarez Among 15 Finalists Vying for Six \$100,000 Educational Grants from Farmers Insurance

Oakland, California (September 11, 2015) – Farmers InsuranceSM announced today that Bryan Alvarez of Roots International Academy in Oakland has been named a finalist as part of the company's Thank America's Teachers Dream Big Teacher Challenge, awarding teachers for their ideas to help create a lasting and positive impact on their classrooms, schools, and communities.

Local Farmers agent Sharon Li surprised Alvarez with a visit to his school to share the news about being one of only 15 finalists in the running for one of six \$100,000 Dream Big Teacher Challenge grants from Farmers.

"I am so excited to have had the honor of surprising Bryan Alvarez with the news that he is one step closer to winning a \$100,000 grant through Thank America's Teachers," said Li. "I invite the Oakland community, the state of California, and the entire nation to vote to help make Bryan's proposal a reality."

Each teacher's proposal went through a competitive review process, and Alvarez's proposal about creating a jungle gym for students completely manufactured out of musical instruments was selected to move on to the voting phase of the Dream Big Teacher Challenge.

Nearly 90 percent of the students at Roots International Academy come from poverty stricken homes and many do not have access to musical instruments. If Alvarez were to win the \$100,000 Dream Big Teacher Challenge grant, he will build one of the first Maker Space Music Parks, a jungle gym manufactured entirely of musical instruments durable enough to be enjoyed by the entire student population. The students will participate in the designing, as well as the building phases of the jungle gym. The Maker Space Music Park will allow for a dynamic learning environment that enhances each student's sensory, cognitive, and movement stimulation.

Beginning October 1, the finalists' proposals will be available for public voting at www.ThankAmericasTeachers.com. Everyone can vote for any of the 15 teacher proposals, but a person can only vote once for the same teacher proposal per day. Up to six \$100,000 educational grants will then be announced in December to the two proposals with the highest vote count per three geographical zones which include the Western Zone, Central Zone, and Eastern Zone.

In addition to voting, the public can visit www.ThankAmericasTeachers.com at any time to share their thanks for teachers who made a difference in their lives, and learn more about the program.

Launched at the 2015 Farmers Insurance Open in San Diego, California, Thank America's Teachers features an actual yellow school bus that is traveling coast-to-coast delivering opportunities to say thank you to teachers who give their time, talent and knowledge to ensure that our nation's children become smarter and better prepared for the future.

Through Thank America's Teachers, Farmers will give away more than \$1,000,000 to educators in 2015 and the public will help determine who receives the grants at www.ThankAmericasTeachers.com. Farmers will award 180 grants valued at \$2,500 throughout the year, in addition to the six \$100,000 Dream Big Teacher Challenge grants.
